what's inside

3x the protein,
40% less sugar
than leading yogurt alternatives*

thoughtfully simple™

simple ingredients

siggi's is committed to using ingredients that come from natural sources, such as tapioca flour (from yuca root or cassava).

plant based

Our plant-based blends use a base of coconuts and macadamia nuts to mimic the thick, creamy texture of traditional skyr. Pea protein helps to provide the protein that we all love!

protein

siggi's plant-based coconut blends contain 10g of protein per 5.3oz cup - that's more protein than sugar in each cup.

not a lot of sugar

Mainstream plant-based blends can have up to 20g of total sugars per serving. Our plant-based recipes contain just 8-9g of total sugars, which is 40% less sugar than leading yogurt alternatives*.
